Hello Colin,

The response to Senator Kerry's email demanding an investigation of the Pentagon pundit program by the Government Accountability Office was so overwhelming some of the people who clicked through couldn't make it onto our servers. I was going through the list of those folks, and it looks like you were one of them.

I apologize for the delay, but the problem should be taken care of now. You can now add your name as a co-signer to John Kerry's letter demanding an accounting of this program.

Just click here:

Sorry for the inconvenience earlier. Let me know if you have any other problems.

And thank you for helping to demand a full explanation of this program!

Thanks,

Brian Young
