REPUBLICAN * NATIONAL * COMMITTEE

Dear Joe,

The radical liberals have taken over the Democrat Party. As [The New York Times](#) recently reported, Democrat leadership aides participate in a conference call with left-wing groups - including MoveOn.org - every morning to coordinate their efforts.

Now, MoveOn.org is openly attacking our generals and troops. This week they ran full page newspaper ads attacking the integrity of our top military commander in Iraq, General Petraeus, as he was testifying before Congress. And, the Democrat leaders have said nothing. Nothing! Are they complicit in these attacks by their silence?

This kind of malicious and despicable attack cannot stand -- and we must fight back, Joe.

[Please make an urgent online contribution](#) of \$1,000, \$500, \$100, \$50 or \$25 to the RNC today to help us set the record straight and elect Republican candidates who support our troops fighting to protect our nation and win the War on Terror.

MoveOn.org has raised hundreds of millions of dollars thanks to liberal billionaires like George Soros and Peter Lewis. They have used their millions to attack President Bush and Republicans, and elect Democrats who kowtow to their extremist views. After the 2004 elections, the group's PAC Director said "Now it's our party: we bought it, we own it, and we're going to take it back." And in a recent email to its members, MoveOn.org asked for donations to defeat candidates who support the President's

new strategy in Iraq.

Joe, first it was Harry Reid attacking our military leaders, calling them incompetent. Then Barack Obama said that our men and women serving in Afghanistan are just "air-raiding villages and killing civilians." Now the Democrats' biggest booster, MoveOn.org, is suggesting that General Petraeus is "cooking the books" and will "betray us," and the Democrat leadership stays silent.

We need your help to answer these attacks and get our message past the liberal mainstream media filter. [Your secure online contribution](#) of \$1,000, \$500, \$100, \$50 or \$25 today will help us do just that.

The Democrats and their left-wing allies' propoganda cannot go unanswered. Please help as generously as you can.

Sincerely,

Robert M. "Mike" Duncan
Chairman, Republican National Committee

P.S. President Bush and Republicans are committed to supporting our troops in harm's way as they fight to protect our nation and win the War on Terror. Please help the RNC answer loathsome attacks from groups like MoveOn.org with a [secure online contribution](#) of \$1,000, \$500, \$100, \$50 or \$25. Thank you.
