NEWT2012

Dear Colin,

As you may have heard, I am an official candidate for president of the United States. But I know that it will take more than one person in the Oval Office to get our country back on the right track. **That's why I'm inviting you to [join the campaign](#) as we work to win the future together with the right policies and the right results.**

My campaign foundation is simple: America only works when Americans are working. I have a pro-growth strategy similar to the proven policies used when I was Speaker:

- Balance The Budget
- Pay Down The Debt
- Create Jobs

But your support is the most powerful fuel for spreading our conservative message and winning the future. [Please join the campaign today.](#)

Your friend,

Newt Gingrich
