Her names are redirected, except for one going to a parody site, to our week old site, webofdeception.com.

We felt a while back that the campaign would do this. When we saw that Clinton had registered votingpresent.com on December 4th then we put up webofdeception.com ahead of schedule. We planned the strategy and got ahead of the curb to publicize webofdeception.com

In the *Message from Joe* on webofdeception.com <http://webofdeception.com/background.html> it gives the details of who and what we will do.

We are waiting for the Internal Revenue Service to sent us the 4506-A of Patti Solis Doyle's husband Jim Henry Doyle's non-profit organization, Level Field Institute. This is the non-profit he runs from their home at Morrison. The non-functionaing web site of this non-profit organization is: <http://levelfieldinstitute.org/>
